- BLACKWATER RANGE** 6.00
Co. Waterford, Ireland
A very well made gin with a well balanced mix of floral, citrus and juniper elements. A glorious mix of juniper, fresh citrus and herbs. Reminiscent of lavender, herbs of Provence, mint, coriander and liquorice with lemon, lime and fresh orange.

A secret combination of botanicals, including juniper, coriander seeds, orange peel, lemon peel, angelica root, liquorice, ginger, nutmeg and cassia oil.
- THIN GIN** 6.00

A fun, fruity and fragrant Gin! Fruity, clean and intrinsically Irish with flavours of apple, hawthorn, elderflower and tansy. Native botanicals dance with the fragrant juniper berry and the citrus notes of orange, lemon and lime.

- MONKEY 47** 8.70

Oh there is a lot going on here... woody, vegetable smells under pin fresh grassy citrus notes and botanical sweetness, like a pine forest after the rain. Predictably complex, this is a robust and powerful gin with plenty of spice, fruit and herb

- GUNPOWDER** 6.00

- BERTHAS REVENGE** 6.50
Co. Cork, Ireland
Named after a legendary cow called Bertha who lived to the ripe old aged of 48 (real years, not cow years). This is fittingly made from whey, not grain and is distilled in small batches at Ballyvolane House in east Cork. The unique mix of botanicals includes grapefruit, cinnamon, cloves, cumin, elderflower, Alexanders and sweet woodruff.
- BOMBAY SAPHERRIRE** 5.00
London
Strong citrus nose, acidic lemon dominating. Good bit of alcohol notes in there too, along with some juniper. There's a sweetness and a distinct floral fruity character in the background: bright and strongly aromatic that sets it apart especially from typical London Dry style gins

Don't forget the Tonic! We are proud to carry specialized Tonics from London Essence and Schwepps to compliment any of the above Gin's!
